

Year 7 Science								
	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
Term 1a	Cells and reproduction part 1				Cells and reproduction part 2			
Half term								
Term 1b	Acids and alkalis			Light and sound part 1				
Winter break								
Term 2a	Light and sound part 2			Microbes, disease and ecology part 1				
Half term								
Term 2b	Microbes, disease and ecology part 2			Science week	Particles and solution part 1			
Spring break								
Term 3	Particles and solution part 2			Particles and solution part 3	Forces and the solar system part 1		Forces and the solar system part 2	

Year 8 Science								
	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
Term 1a	Human body, food and respiration part 1				Human body, food and respiration part 2			
Half term								
Term 1b	Atoms, elements, compounds and metals part 1				Atoms elements, compounds and metals part 2			
Winter break								
Term 2a	Energy and heat transfer part 1			Energy and heat transfer part 2				
Half term								
Term 2b	Inheritance, selection and photosynthesis part 1			Science week	Inheritance, selection and photosynthesis part 1			
Spring break								
Term 3	Inheritance, selection and photosynthesis part 2		Electricity and magnetism part 1		Electricity and magnetism part 2		Speeding up, pressure and moments	

Year 9 Biology (2 lessons a week)									
	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	
Term 1a	Organisation								
Half term									
Term 1b	Organisation		Bioenergetics						
Winter break									
Term 2a	Bioenergetics								
Half term									
Term 2b	Bioenergetics								
Spring break									
Term 3	Bioenergetics		Ecology						

Year 9 Chemistry (1 lesson a week)									
	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	
Term 1a	Atomic structure & periodic table								
Half term									
Term 1b	Atomic structure & periodic table				Structure, bonding and properties of matter				
Winter break									
Term 2a	Structure, bonding and properties of matter								
Half term									
Term 2b	Structure, bonding and properties of matter								
Spring break									
Term 3	Structure, bonding and properties of matter			Trends in the periodic table					

Year 9 Physics (1 lesson a week)									
	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	
Term 1a	Forces and their effects								
Half term									
Term 1b	Forces and their effects								
Winter break									
Term 2a	Energy								
Half term									
Term 2b	Energy			Particle model of matter					
Spring break									
Term 3	Particle model of matter
